## PRE-REQUISITE GUIDE

**NOTE:** The new courses VCD 2370 *Visual Thinking* and VCD 1351A *Foundations in 5D Design* are pre-requisites for many courses (*Typography*, VCD1, VCD2, *Illustration*, *Portfolio*, and all *Workshops*). Since you will not have the opportunity to take *Visual Thinking* and *Foundations in 5D Design* until academic year 2018–2019 the department will wait to implement these courses as pre-requisites for all courses until Fall 2019, but be sure to take *Visual Thinking* and *Foundations in 5D Design* in Fall 2018 or Spring 2019.
